

HAHN TYPE "S" FULL CONE WIDE ANGLE NOZZLE DATA SHEET

TYPE "S" *FULL CONE WIDE ANGLE* NOZZLE

TYPE "S" (Steinen/Hahn)

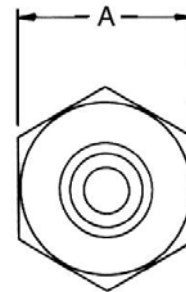

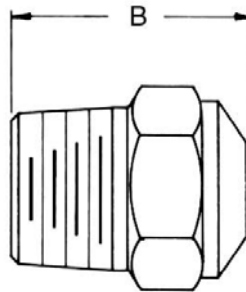

Type "S" full cone nozzles produce a uniform wide angle (120°) cone spray and are generally used in mining and other applications for dust suppression.

The Type "S" nozzle is manufactured by HAHN Industries, a Division of Steinen.

- The Type "S" nozzle is Steinen Part # 147-00043.
- Steinen has also sold this nozzle under Part # SN180-00-000-01.
- This nozzle is also manufactured for Joy Mining (Joy Part # 01566237-0000).
- *All of the above part numbers are the same nozzle.*

Type "S" nozzle
Part # 147-00043
